Seminar Calendar

Monday, May 11

Genetics Dissertation Seminar: Aritro Nath (Mentor: Dr. Christina Chan) "Investigating the Role of Elevated Free Fatty Acids in Epithelial-Mesenchymal Transition of Hepatocellular Carcinoma" 9:00 AM, Room 1425 Biomedical Physical Sciences

Tuesday, May 12

The (3M) Interest Group: Antoineen White (Hegg Lab) 12 Noon, Room 1400 Biomedical Physical Sciences

Genetics Program Dissertation Seminar: Kurtulus Kok (Mentor: Dr. David Arnosti) "Genome-wide Analysis of Transcriptional Repression Mechanisms in the Drosophila Embryo" 2:00 PM, Room 208 Biochemistry

Physical Chemistry Seminar: Dr. Michael Caffrey, University of Illinois "NMR-Guided Optimization of an Influenza Antiviral" 4:00 PM, Room 136 Chemistry

Wednesday, May 13

Department of Pharmacology & Toxicology: Robert Bryan, Professor and Vice-Chair for Basic Research, Baylor College of Medicine, Houston, TX “TBD” 12 Noon Room B448 Life Sciences

Thursday, May 14

No Seminars

Friday, May 15

No Seminars

Save the Date:

Genetics Symposium: June 10, 2015, Lipid Disease in Animals and Plants
9:00 AM – 6:00 PM
Room 471 MSU Law Building
Speakers:
- Jianping Hu, DOE-Plant Research Laboratory, MSU
- John Dyer, USDA, Arid-Land Agricultural Research Center
- Douglas Mashek, Dept of Food Science and Nutrition, Univ of Minnesota
- Edgar Kooijman, Dept. of Biological Sciences, Kent State

Announcements

The BMB Undergraduate Poster Session was held on April 24, 2015. Photos and abstracts are available for viewing at: http://bmb.natsci.msu.edu/undergraduate/undergraduate-research/research-forums/poster-session/
Institute for Cyber-Enabled Research

To Register for Seminars in Research & Instructional Technology:

**Faculty:**
1. Visit [ebs.msu.edu](http://ebs.msu.edu) and click on EBS Portal Login
2. Login using your MSU NetID and password
3. Click ESS Tab
4. Click on Training Opportunities quick link
5. Click on "Technology Training by IT Services" under Course Catalog on the left side of the screen
6. Click on "Faculty Seminars" from the list under Assigned Subject Area
7. Select and click on the desired course, choose desired class
8. Click Book this course
   *If class is full, you may select Book on Wait List. If space becomes available, you will receive an e-mail notification and automatically be moved into the class.*
9. Success! displays at the top of the page
10. Click the Training Home link to view the class in My Training Activities

**Graduate Students:**
Email Kelli Hart at [hartk@msu.edu](mailto:hartk@msu.edu)

**Seminars in Research & Instructional Technology:**
**Title:** HPCC Introduction: High Performance Computing at MSU  
**Date:** Tuesday, May 12, 2015  
**Time:** 8:30 AM – 11:30 AM  
**Room:** 211 Bessey Hall

**Seminars in Research & Instructional Technology:**
**Title:** Introduction to Python  
**Date:** Wednesday, May 13, 2015  
**Time:** 8:30 AM – 11:30 AM  
**Room:** 211 Bessey Hall

**Grad School Workshops**
**Title:** Navigating the PhD: Managing Time and Academic Relationships  
**Date:** 6/5/2015 9:00 AM - 12:00 PM  
**Fee:** None  
**Location:** 300 Bessey Hall (The Writing Center)  
**Capacity:** 25  
[Click here to Register.](#)

**Title:** Navigating the PhD: Writing Processes & Strategies for Academic Writing  
**Date:** 6/5/2015 1:00 PM - 4:00 PM  
**Fee:** None  
**Location:** 300 Bessey Hall (The Writing Center)  
**Capacity:** 25  
[Click here to Register.](#)

**Title:** Thesis and Dissertation Formatting and Graduation Requirements Workshop  
**Date:** 6/26/2015 9:00 AM - 10:00 AM  
**Fee:** None  
**Presenters:** Deanne Hubbell and Tony Nunez  
**Location:** 105 South Kedzie Hall  
[More Information on ETDs.](#)  
**Capacity:** 170  
[Registration for this workshop will open on May 1.](#)
