2018 Women in Science Conference

This three-day event will be hosted by the Association for Women in Science, Notre Dame Chapter (AWIS-ND) and will be held during October 5-7. The Conference is designed to provide graduate student women in science, technology, engineering, and mathematics a venue for networking and professional development.

BMB Window Replacement Project

5/29 – 6/6: 1st floor North

6/7 – 6/14: 5th floor South

Contact [Nichole Daly](#) for a more specific 1st and 5th floor replacement schedule.

During the time of the window replacement, no one is allowed in the lab at any time per EHS. Labs need to clear all windowsills, move chairs out of the way, cover all experiments, and close any open chemicals. Lab personnel will be able to return after the windows are installed, however there will be patching and painting to follow window replacement.

Wilson Road Extension Project

The east section of Wilson road (Wharton Center Ramp to Shaw) will be closed May 19 – July 6.
