## **Announcements**

---

### **Seminar, Monday June 18**

Dr. Ruediger Hell, University of Heidelberg

*"The role of TOR in stress-induced developmental plasticity"*

10:00 AM, Room 1400 BPS

### **BMB Biweekly Picnic**

Our first biweekly picnic will be held June 28, 12 - 1 PM, in the BMB courtyard.

### **Postdoctoral Association Professional Development Workshops**

Two workshops, "Interview the candidate they want to hire!" and "I'm nearly done with my PhD: now what?" will be offered June 18 - 19 at 1400 BPS by the MSU Postdoctoral Association. Please RSVP.

### **Cisplatin Celebration & Cancer Research Symposium**

The two-day event will include a reception and a cancer research poster presentation on Friday evening, followed by an all-day symposium on Saturday that features a veritable "Who's Who" of scientists and experts in the cisplatin/carboplatin field. August 3-4.

### **Graduate and Professional Student Fall Welcome Cookout**

The Council of Graduate Students and Graduate Student Life and Wellness host the Cookout as a way to introduce new students to Michigan State University and allow returning students to engage in positive, fun, and enriching outdoor activities to celebrate the beginning of the academic year. This coincides with the Graduate Resource Fair on August 25th.

### **Grant Proposal Consultation**

Grant consultant Tom Hollon will be on campus June 18-22 to meet with investigators to discuss funding opportunities and the grant proposal process. To schedule a meeting, email Tom at [rgs.hollonappts@campusad.msu.edu](mailto:rgs.hollonappts@campusad.msu.edu).

### **NIH Request for Information: How to Increase STEM Faculty Diversity**

Please reply to this request for information by July 20, 2018.

### **2018 Women in Science Conference**

This three-day event will be hosted by the Association for Women in Science, Notre Dame Chapter (AWIS-ND) and will be held during October 5-7. The Conference is designed to provide graduate student women in science, technology, engineering, and mathematics a venue for networking and professional development.

### **BMB Window Replacement Project Weekly Schedule**

Monday June 18 410B (Polly Hsu's Office) and 410

Tuesday June 19 410A (Monique Floer's office) and 402C

Wednesday June 20 402B&D and 302A and 322A

Thursday June 21 322 and 316B

Friday June 22 310D&E

**During the time of the window replacement, no one is allowed in the lab at any time per EHS. Labs need to clear all windowsills, move chairs out of the way, cover all experiments, and close any open chemicals. Lab personnel will be able to return after the windows are installed, however there will be patching and painting to follow window replacement.**

Contact [Nichole Daly](#) for more details.
