## Seminar Calendar

---

### MONDAY, JANUARY 14

#### [Molecular Plant Science Seminar](#)

Kende Award Seminar

Kun (Kenny) Wang, Harvard T.H. Chan School of Public Health

*"Functions and Mechanisms of Chloroplast Lipid Remodeling in Plants"*

4:10 PM, Room 101 Biochemistry

### TUESDAY, JANUARY 15

#### [MMG Seminar](#)

JD Sauer, University of Wisconsin-Madison

*"The War Within: Host-Pathogen Interactions in the Cytosol"*

4:10 PM, Room 1415 BPS

### WEDNESDAY, JANUARY 16

#### [\(3M\) Interest Group](#)

Nathan Frantz, Proshlyakov Lab

*"Assessment of Complexes in Mitochondrial ET Chains by Microfluidic-Mediated Electrochemistry"*

4:00 PM, Room 1455-A BPS (iCER)

### THURSDAY, JANUARY 17

#### [BMB Colloquium](#)

Cathy Drennan, MIT

WELLS LECTURE

*"The Great (and Less Great) Metallocofactors of Biology"*

11:00 AM, Room 101 Biochemistry

#### [EEBB Seminar](#)

Andrew Moeller, Cornell University

*"Adaptation of a mammalian species to its gut microbiota"*

3:30 PM, 1420 BPS

### FRIDAY, JANUARY 18

#### [Science at the Edge](#)

Xiaoqin Zou, University of Missouri

*"Novel Strategies for Predicting Protein Interactions with Application to Structure-Based Drug Design"*

11:30 AM, Room 1400 BPS

## Announcements

---

Checkout the [Grad/Postdoc News](#) page on the BMB website for the latest events and opportunities.

### [Annual Series of "Thriving at Michigan State University" Workshops](#)

This year, the Academic Advancement Network in collaboration with Academic Human Resources will host their annual series of "Thriving at Michigan State University" workshops to provide faculty and academic specialists with important information and strategies on how to be successful in their careers at our institution. Content will be tailored for each appointment type's specific needs. Workshops will be held in January and February of 2019.

### [Assistant Professor in Biochemistry, University of Nebraska at Omaha](#)

The Department of Chemistry at the University of Nebraska at Omaha invites applications for the position of Assistant Professor in Biochemistry. This is a 9-month, tenure-track position beginning August 19, 2019. The position requires a commitment to excellence in teaching and to the establishment of a research program that involves working with undergraduate students. Review of applications will begin in January 2019.

### [Assistant Professor - Department of Biology, West Virginia University](#)

As part of an expansion in molecular genetics research, West Virginia University invites applications for a tenure-track position at the Assistant Professor level in the Department of Biology to begin August 2019. Review of completed applications will begin on January 21, 2019 and will continue until the position is filled.

### [Phytochemical Society of North America 58th Annual Meeting](#)

Symposiums include natural product metabolism and enzymology, chemical ecology, and natural products in agriculture and medicine. July 20-24, 2019, Johnson City, Tennessee.
