

On behalf of the BMB Awards Committee,  
nominations are being accepted for the following award:

# Outstanding Undergraduate Student Award

This \$1000 award\* will be presented to a senior BMB undergraduate student who has demonstrated the highest excellence in scholarship and research activities.

*A nomination should include a nominating letter from a faculty member, CV (resume), and any supporting documents such as reprints, manuscript in press, supporting letters, etc., deemed pertinent to the Committee's decision process.*

All nomination packet files should be combined into a **single PDF** and submitted electronically to Mary Villarreal (villar30@msu.edu) by Monday, October 7.

~~~~~  
This award will be announced to the recipient by the end of the fall semester, so it can be included in the student's application materials for career advancement, and then officially presented at the Annual BMB Award Banquet to be held in April.

Thank you for your time and consideration!

\*NOTE: The money will be applied directly to the student's account.
