Many faculty members find it helpful to attend the thriving workshops more than once, finding different elements useful at different stages of their careers. New deans, chairpersons, and school directors may also find attending the programs useful. **If you would like to attend, please click on the links provided above. Registration will close a week prior to each event.**

Any questions regarding the workshops, or to request a copy of the agendas, please contact Jill Bryant, Academic Advancement Network (AANEvent@msu.edu or 355-7483).
