It’s On Us to Support Survivors:

A Workshop for Graduate Students at MSU

Friday, April 5th
12:30pm—2:00pm
Erickson Hall, Room 128

COGS is excited to host this workshop which will be facilitated by the MSU Prevention, Outreach and Education Department! In this session, our presenters will discuss how you can be a supportive person to an individual who is a survivor of sexual assault or relationship violence. We will review examples of supportive language that can be used when a survivor discloses sexual assault or relationship violence to a graduate student. We will delve into ways that you can be supportive as a friend, as a colleague, and as a mandatory reporter (for those of you that are required).

Lunch will be provided. We hope you will join us for this crucial conversation!
