

Science and Society Public Forum

“Targeting host immune cells in lethal prostate cancer”

Keynote Speaker Dr. Jelani Zarif

Dr. Jelani Zarif is an Assistant Professor of Oncology at the Johns Hopkins School of Medicine - Sidney Kimmel Comprehensive Cancer Center. His research focuses principally on prostate cancer immunology and identifying the molecular mechanisms by which host immune cells contribute to prostate cancer metastasis. Dr. Zarif received his Ph.D. in Cell and Molecular Biology from Michigan State University in 2014.

This event is hosted by the Michigan State University Alliance for the Graduate Education and the Professoriate.
