The BMB Student Office Aide is responsible for assisting with basic administrative functions of an office. More information can be found on MSU’s student job board, here. To apply send cover letter and resume to sjhoward@msu.edu

Job Postings & Other Opportunities

PLANT BIOTECHNOLOGY FOR HEALTH AND SUSTAINABILITY PREDOC FELLOWSHIP
First-year PhD students who recently completed their second semester of study at MSU and are doing fundamental research in a trainer’s lab are eligible to apply. Highly qualified students will be considered for up to five predoctoral (year 2-3) fellowships starting in Fall Semester 2017. The fellowships will cover stipend, tuition and health insurance for up to four semesters and two summers. Fellowship awardees must conduct fundamental research on plants, relevant microorganisms or synthetic biology that is broadly aligned with NIH research priorities. Interested students should plan to attend a question and answer session on:
Monday, May 8th at 9 AM in Biochemistry 402 or Tuesday May 9th at 1:30 PM in Biochemistry 402
All interested students must submit a completed application by close of business on June 6, 2017
